"Often Copied but Never Equaled"

FIBERGLASS "The Original"  
**FOLDING TABLES**  
 DESIGNED FOR COIN LAUNDRY SERVICE

LIST PRICE SCHEDULE  
 EFFECTIVE 11-01-2007

## GENERAL INFORMATION

These tables are available in all our standard & deluxe colors. They have seamless one-piece molded fiberglass tops that are mirror smooth, easy to clean and impervious to most spotting fluids. The work surfaces are at the preferred 34" height and have 3" high stop ledges at the ends and back to greatly increase the usable area. Ample clearance is provided under the top for laundry cart storage. The standard color for all metal parts is black. All tables have adjustable levelers with non-marking plastic feet and can be bolted to the floor. We highly recommend securing furnishings in place if abusive use is possible.

"TF" STYLE

MODEL	SIZE	WEIGHT	PRICE

## ORDERING INFORMATION

All Sol-O-matic's® products are custom manufactured to order. The component parts are stock, but the final assembly/packaging is to order only. The normal shipping time required after the receipt of an order is approximately 30 days for all products.

We do not maintain warehouse facilities for finished products and for this reason, all orders must be completely cleared for shipment before they are released for assembly (i.e. prepayment received or credit approved, etc.)

Orders that are clear to ship are scheduled for assembly with priority given to the order with the earliest receipt date. Orders placed on a "Check with Order" basis will gain seniority while waiting for the check, but they cannot be scheduled for final assembly until the check is received.

All our products are packaged for shipment via common carrier. We have agreements with several major motor freight lines that enable us to provide a 60% to 67% freight discount on most interstate shipments. We will honor requests for specific carriers, but we may not be able to protect the discount. All shipments must be freight collect unless credit has been established in advance. A 10% handling charge will be levied on all prepaid freight charges.

The carrier is responsible for all damage in transit. Inspect your shipments closely and make notations of any visible abuse on the waybill before signing it. Carriers will attempt to deny or reduce payments made on claims that do not have the proper notation on the delivering waybill. Inspect all shipments for concealed damage within seven days. The carrier must be notified within 10 days of delivery on any damage claim, concealed or otherwise. Failure to follow the above procedures can forfeit any rights of recovery.

No orders for C.O.D. shipments can be accepted due to the custom nature of the finished products.
