Dear Doug Grise & Staff,

I wanted to write a quick note to thank you for the recent recommendation of the 8 new V-series washers and the T-1200 80lb washer. The reception of the new machines has been tremendous. My customers are saving time and money, revenue is up and my gas bills are down thanks to the 200G machines. The 80 pound washer is constantly in use. The signage you provided me with has helped promote my new equipment even when I'm not there-24 hours a day.

I have dealt with your team since 2003, during which time you have provided my business with excellent support in the areas of product knowledge, marketing, and service. Your work has been a major factor in the success of White Spot Coin Laundry. I can and will confidently recommend you as a solid and reliable supplier, and experts in your field.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian L. Shrieve". The signature is fluid and cursive.
